Professional Experience:

Williams Randall Advertising, Indianapolis, IN, November 2021 – Present

- Front-end developer
 - Nunjucks, less, JavaScript, & jQuery to update content and copy of client websites.
 - Install and write tracking tags for sites and campaigns via Google Tag Manager & JavaScript.
- Analytics
 - Normalizing data via Google Sheets while utilizing SuperMetrics, Google Ads, Google Analytics, Facebook Business Manager, Pinterest, & Snapchat.
 - Building client reports in Google Data Studio.

Spoke Locally LLC, Indianapolis, IN, November 2021 – January 2022

- Worked as a front & back end developer.
 - Writing SQL queries and then building React components to display the results on the internal dashboard.
- Worked remotely 5-10 hours a week as an intern to help grow this startup.

Techpoint S.O.S. Challenge, Indianapolis, IN, June 2021 – July 2021

- Participated as a developer and business analyst on a multi-disciplinary team to create a solution for the challenges faced by the Indiana agriculture industry in 2021.
- Created a social networking platform for farmers, farmer's markets, and consumers to connect, communicate, educate, and create volunteer opportunities within their local food system.
- Worked remotely 15-20 hours per week to create a go-to-market strategy/product prototype.
- Built login and register components as well as headed the business team to develop a comprehensive business model, plan, and pitch for funding.

Owner & Photographer, Oso Vista, Bloomington, IN, July 2014 – Present

- Event, product, and fine art photography
 - Coordinate with stakeholders to plan & organize photo shoots and branding styles to exemplify their values.
- Graphic Design
 - Work closely with clients to fit their brand into modern design styles to develop branded assets for their organizations for use in marketing, social media, and logos.
- Social Media Management
 - Responsible for development of brands across multiple social media platforms including Facebook, Instagram, Twitter, TikTok, and Snapchat.

Groundskeeper, Pfau Course at IU, Bloomington, IN, March 2019 – November 2020

- Prepare golf courses for play; cut and moved cups on greens, change and sand tees, mowed fairways tees & greens. Construct and maintain bunkers, install irrigation systems, and route drainage. Operate and maintain equipment, including multiple styles of riding mower, precision walk mowers, tractors, and bunker raking machinery.
- Course specialist on bunker construction and maintenance; managed drainage, aid in design, and adding sand ensuring optimal compaction.
- Recognized for natural leadership abilities, efficient task completion, and ability to learn quickly.

Rideshare Driver, Uber, Lyft, & Nomad Rides, Bloomington, IN, November 2018 – March 2020

- Received daily recognition from customers for safe, reliable driving practices.
- Maintained a clear, outstanding driving record with zero traffic accidents, moving violations, or customer incidents.
- Uber
 - 4.98* rating over more than 2.5k completed rides.
 - 95% acceptance rating, as well as multiple in-app achievements and milestones.
